PROFILE

Honest and reliable, autodidact, hungry for learning and able to adapt to changes. Passionate about IT technologies means always up-to-date with new trends. Open Source technologies expert. Great knowledge of all IT technologies and systems, including Mac OS X, Windows PC, UNIX/Linux, Android & iOS. I am looking forward to working in a dynamic high-tech environment which will make best use of my management and IT skills.

EXPERIENCE

SHANGHAI UNITED INTERNATIONAL SCHOOL — 2004-2012

Currently the cross-campus coordinator for a series of primary schools in Shanghai (Xiehe Education Group). I act as an advisor, consultant and system administrator. My tasks include managing the IT infrastructures across campuses and administrating the school's web servers, databases, e-mail, FTP, Administration desk, etc. I have also put in place a Learning Management System (Moodle) and developed several web apps a and databases for administrative functions. On top of that, I also provide technical support and training to teachers, as well as teaching ICT to primary school students aged from 5 to 13.

FREELANCER — 2003-2004

Web and Print design, as well as teaching English for various schools around Shanghai

PROPAGE TECHNOLOGIES INTERACTIVES — 1999-2002

Full-time web designer, programmer and webmaster. Used technologies such as HTML, PHP, ASP, as well as programs like Dreamweaver, Flash, and much more. Both designed and programmed websites. Worked with Windows and Linux workstations.

FREELANCER — 1997-1999

Freelancing for various web design projects as well as printed graphics and documents.

EDUCATION

Rochebelle Professional Formation Center — DEP, 1997-1999
DEP in Graphic Design. Studied and practiced pre-print design work as well as web design, including internship experience for a web design company (SillyWeb)

SKILLS

SYSTEM ADMINISTRATOR Linux servers administration. LAMP setup, Moodle, Postfix, Courier, BIND.

TEACHER I have been teaching for over 8 years in Shanghai. Taught English as well as ICT to children aged from 5 to 14 years old. Also gave several trainings to adults on IT systems such as LibreOffice and Moodle.

COORDINATOR Been in charge of coordinating ICT between 5 different campuses, as well as providing IT trainings to professional teaching staff from around the globe.

DEVELOPER I have built websites and on-line apps in HTML/PHP/MySQL. Designer: I have designed various website designs, logos as well as printed material.

EDUCATION ICT FACILITATOR ICT IB Specialist, attended several ICT & PYP workshops and Job A Likes. Moodle expert, trainer and administrator.

TALKER Gave several talks and workshops on the use of Open Source software in Education.

VISIONARY Usually quite gifted at choosing and planning IT projects for the long term, as I can read the upcoming trends, and therefore see far ahead into the future and choose the right technologies that will last.

BILINGUAL Native French speaker, fluent in English, know some Mandarin Chinese.
